Bangalore,
13th April 1919.

Dear Mr.Humza Hussain,

I write to acknowledge with thanks, your letter of the 9th instant enclosing a copy of the D.O. from the Superintendent of Police, Bangalore, reporting some mischief done to the pedastal erected for King Edward's statue. I should like to know if the site of the pedastal is within the Cantonment or within the City limits.

In this connection, I shall be obliged if you will kindly give orders so that movements of political leaders from other parts of India into the Mysore State may be promptly reported to me until further orders. I consider this necessary for my information, having regard to the disturbed condition all over India just at the present moment. It would be well if all political meetings at which, leaders from outside intend to address the public, are postponed for the present.

Yours sincerely,

Sd/- A.R.Banerji.
